

In 2020, our pupils taking GCSEs and A-Levels achieved the best grades in the history of the school.

At A-Level, 95% of grades achieved by UCS pupils were A*-B and 92 pupils were awarded straight A or A* grades. 18 students achieved A* grades in all their subjects. In Art, Drama, Geography, Music, Psychology, DT, German, History of Art, Philosophy and Spanish, no grade was below at B and in Further Maths, all pupils secured an A grade or better.

At GCSE, 96% of grades achieved by Year 11 pupils at UCS were either 7, 8 or 9s and over 50% of these were grade 9. 19 pupils achieved straight 9 grades and 53 pupils achieved straight 8 and 9 grades.

This year's leavers will move on to a variety of the UK's top universities, including Cambridge, Oxford, LSE and Imperial College. The most popular destinations for our students were Bristol, Edinburgh, Manchester, Cambridge and Oxford. Our applicants for Medicine clinched places at top medical schools, including Oxford, and a record 28 pupils were offered places to study at either Cambridge or Oxford University back in January.

The university degree courses which our pupils will study range from Modern Languages to Maths and from PPE to Psychology. Altogether, 36% of pupils were admitted to STEM courses, 43% to social sciences and 21% to arts courses. Each year a number of applicants defer entry to university to pursue extra-curricular interests, work-based schemes or travel during a gap year.

UCS is a leading school in terms of admissions to overseas universities and a number of pupils take advantage of the well-established in-house SAT course which runs at UCS every autumn. Once again, our students were highly successful with US university admissions in 2020, with pupils landing places at highly regarded institutions such as Cornell, Southern California and Chicago.

2020 A-Level Results Summary
