

Teacher of Drama

UCS Senior School

Candidate Brief

Required for September 2023

UCS HAMPSTEAD

University College School was founded in 1830 to promote principles of liberal scholarship. That remains our first and overriding aim. Intellectual curiosity, breadth of study and independence of mind combine to achieve academic excellence; they are not subordinate to it.

Initially located in Gower Street, as part of University College London, the School was revolutionary in its approach to education, having as a fundamental principle that religion, in any form, should neither be an entry requirement nor a taught subject, believing rather that faith is a matter for the family and the individual - a tradition that continues today. The UCS Foundation, now independent of the University, comprises three schools: the Senior School (850 pupils: 11-18), the Junior Branch (250 pupils: 7-11) and the Pre-Prep (130 pupils: 3-7).

All three schools are set in attractive locations. In 1891 the Junior Branch was established at Holly Hill, Hampstead, followed in 1907 by the School's separation from UCL, and the acquisition

of the Senior School's current purpose-built accommodation in Frognal, opened by King Edward VII. The pre-preparatory branch is based nearby. All three schools have full use of the extensive playing fields (including a large all-weather pitch and two pavilions) in West Hampstead.

UCS remains true to the liberal traditions of its founders and continues to work hard to foster independence of mind among its pupils and to value their individuality. Academic results are excellent. Music and drama are very strong at UCS and the school offers an outstanding range of co-curricular activities and enrichment opportunities. The school has a fine record in team games, with shared endeavour and good sportsmanship held in high regard.

THE ORGANISATION OF UCS

Whilst the Headmaster of UCS is in overall control of all three schools in the Foundation, day-to-day management and planning at the Junior Branch is in the hands of the JB's own Headmaster and his deputies. Similarly, The Pre-Prep has its own Head who reports to the Headmaster of the JB.

Sixty boys each year transfer from the JB to the Senior School and are joined by sixty boys from outside feeder schools who win places through competitive examination. In Years 7 and 8 (Entry and Shell), these boys are supervised by a team of pastoral Year Wardens and form-teachers. In Year 9 (Lower Remove), they join the Middle School and are allocated to the five Demes (or houses) which form the basis of the pastoral structure of the school until pupils leave at the end of the Sixth Form. Each Deme is managed by a Deme Warden and a team of Form Tutors. Boys and girls in the Sixth Form are supported not only by their Deme Warden and Form Tutor but also by the Head of Sixth Form, supported by a Deputy and a team of Assistant Heads who, between them, manage the Sixth Form Centre, university applications and other matters specific to pupils of this age.

Pupils from The Pre-Prep School who wish to gain entry to the JB must sit the standard 7+ Entrance Examination. Transfer from the JB to the Senior School is not dependent upon a further examination hurdle.

Admission at all entry points is heavily oversubscribed. Whilst UCS operates within a highly competitive market-place, our reputation as a happy, well-balanced environment that respects the individuality of each pupil allows us to retain the advantages of a highly selective school. We are particularly proud of our reputation for pastoral care and for extra-curricular activities, as well as our high academic standards.

THE SENIOR SCHOOL CURRICULUM

In Years 7 and 8, boys follow a full core curriculum with time devoted to Drama, Art, Technology, PSHE, PE and sport as well as to the more traditional academic curriculum. Boys study General Science in Year 7, and the three separate sciences from Year 8 onwards. There is no setting or streaming. This approach continues into Year 9, where the other language options are added to the curriculum. Mathematics is set by ability in Years 9, 10 and 11. All boys currently study ten subjects to GCSE (IGCSE in the case of a number of subjects), including English Language, English Literature, Mathematics, at least one science subject and at least one modern language. All pupils study four subjects in Year 12. They may choose to drop one of these in Year 13 when a number of pupils choose to take an Extended Project Qualification.

SPORTS AND EXTRA-CURRICULAR ACTIVITIES AT THE SENIOR SCHOOL

The school offers outstanding facilities and opportunities exist for a number of different sports and activities, including Rugby, Netball, Football, Hockey, Cricket, Tennis, Athletics, Badminton, Cross-Country, Basketball, Swimming, Fives, Table Tennis, Fencing, Aerobics, Dance, Yoga, Bouldering, Karate, Rowing and Squash. All pupils are required to play games as part of their normal curriculum and a large number represent the school.

There is a wide range of co-curricular activities and school societies. Music is particularly strong, with multiple choirs, Orchestra, Wind Band, Chamber Choir, Chamber Orchestra, Concert Band, jazz and rock groups, as well as many smaller ensembles. The school has a fully equipped theatre that is heavily used for our own productions as well as by visiting professional actors and musicians. A large number

of plays and musicals are staged each year, with opportunities for pupils to direct as well as to act and provide technical support, and an annual production is performed at the Edinburgh Fringe Festival. Over 60 clubs and societies meet on a weekly basis, often run by pupils. Gender Politics Society, Wellbeing Society, Cultural Awareness Society and Green Impact Society, the environmental action group, are all currently popular. Debating and Model United Nations, Young Enterprise, Chess and Robotics regularly send teams to competitions with great success. Pupil journalism thrives at UCS, with pupils editing and producing the school magazine, The Tortoise, as well as Bocca, a Classics and Art History journal, Interlingua, the modern languages journal, and others. School trips are arranged on a regular basis and UCS has close links with schools in France, Germany, Spain, Uganda and India. UCS has

partnerships with Westminster Academy, UCL Academy, Michaela Community School and the London Academy of Excellence Stratford, as well as a number of primary schools. Pupils currently raise roughly £20,000 per year for a range of charities that they select themselves as part of a Community Action initiative. Academic Enrichment Weeks, Women in Sport Week and the non-curricular Activities Week annually broaden and embellish the UCS educational experience.

THE DRAMA DEPARTMENT

The Drama Department is a vibrant and active part of both the curricular and co-curricular provision at UCS, and is committed to creating ambitious and exciting opportunities throughout the school. Consisting of five full-time teachers, and one part-time teacher, the department is led by the Director of Drama and supported by the Theatre Manager and Theatre Technician.

Drama is taught in rotation with Dance in one double period per week to Year 7 and Year 8. In Drama, the boys explore theatrical styles, skills and texts. In Year 9 boys may opt to continue with Drama and Dance, and can then elect to study either subject for GCSE from Year 10. Students can choose Drama for A Level, which is a linear, two year course. Drama is a highly popular subject at GCSE and A Level, and enjoys excellent results. At both GCSE and A Level we currently follow the Eduqas specification. We enrich these curricular courses with residential research and development weekends, workshops from visiting theatre companies and regular visits to theatre in and around London.

There is also an extensive and ambitious range of co-curricular opportunities, available to all students from Year 7 to Year 13. The co-curricular Drama provision at UCS has been shortlisted for

two years running for the Independent Schools Award for Outstanding Performing Arts. These co-curricular opportunities form a considerable part of the Drama provision, and are well-supported by the school community. There is a show for each section of the school - Lower, Middle and Upper – and these take place in the fully equipped, 200-capacity Lund Theatre. These productions are of an excellent standard and are produced in collaboration with a specialist theatre designer. Biennially the Drama and Music departments collaborate on a musical, which is a sell-out event in the school calendar. Pupils from Years 7 and 8 also have the opportunity to perform their Lower School play to children for local primary schools, as one of various partnership projects going on within the department. We are also proud to offer students from Year 12 the opportunity to perform at the Edinburgh Festival Fringe, the largest arts festival in the world. The company devises and performs an original piece of theatre, crafted and led by members of the department. In 2019, one of these productions was revived and performed in the Savoy Theatre, London, in collaboration with the Lord Mayor of Westminster. Students from all years take part in Stage Crew, and through this are actively involved in the technical and design elements of the various productions.

THE PRESENT VACANCY

This vacancy is from September 2023. The successful applicant will be a teacher who combines a strong intellectual interest in Drama with an imaginative and flexible approach to classroom teaching and a commitment to developing a true appreciation of the subject in their pupils, as well as to preparing them for success in public examinations.

In addition, the successful candidate will be an excellent theatre director who will take responsibility for directing school productions on a regular basis, as agreed with the Director of Drama. They will also be active in facilitating participation in House competitions, and in supporting the creative work of others in the department.

This is an outstanding opportunity to teach Drama to a high level in a congenial and ambitious setting. It should, therefore, be attractive to an ECT (UCS offers full statutory induction) or to a serving teacher seeking wider experience. We equally welcome applications from teachers in the maintained sector and the independent sector, as well as from those without a formal teaching qualification.

A willingness to contribute to the extra-curricular life of the school will be an additional and important recommendation. We expect all of our teachers to be Form Tutors.

SALARY AND BENEFITS

UCS has its own competitive salary scale. The payment for this post will be dependent upon qualifications and experience, but will be above the national scale.

While the school does not offer accommodation, schemes are in place to assist members of staff with loans for house purchase. The school is similarly prepared to offer loans to help with daily travel expenses. In all cases, eligibility for financial assistance is carefully and independently scrutinised and every effort is made to assess the needs of individual applicants.

If admitted to the school, the sons and daughters of UCS staff may be educated at reduced fees.

All members of staff are entitled to membership of UCS Active (the private Health & Fitness Club based in the Sir Roger Bannister Sports Centre) at a heavily reduced rate.

CHILD PROTECTION

University College School is fully committed to safeguarding and promoting the welfare of children. The successful applicant will be required to undertake an Enhanced check for Regulated Activity from the Disclosure and Barring Service (DBS) before a formal offer of employment is made. This is a requirement as the position is within a school working with children aged under 18. UCS will also undertake its own recruitment checks through contact with previous employers, referees, and others, to confirm applicants' identities and their professional records.

ARRANGEMENTS FOR THE APPOINTMENT

In addition to completing the accompanying form, applicants should provide a full Curriculum Vitae and a supporting letter.

The closing date for applications is:

Thursday 09 March, 12pm

However, please note that we reserve the right to interview and appoint at any stage during this process; early applications are therefore very welcome.
